METAL FABRICATION TRAINING VIDEOS

A visual learning hub to help you discover Norton's abrasive solutions for industrial applications

SAINT-GOBAIN

WELCOME TO THE

METAL FABRICATION VIDEO CATALOGUE

This interactive PDF brings together videos showcasing our most important Norton abrasives for industrial metalworking applications.

What you'll find inside:

- **Product insights** to build your knowledge and confidence
- **Real-world demonstrations** of key products in action
- **Training resources** to support learning and development
- **A wide variety of videos** covering different applications and techniques

HOW TO USE THIS CATALOGUE

- **Jump between sections** using the category guide on the next page to explore videos by product type
- **Find videos by application** using the list on page 4. Each application is colour-coded, and we've added colour references to each video so you can easily see which applications are covered
- **Watch instantly** – all videos are linked to YouTube and will play with a single click
- **Navigate easily** using the buttons at the bottom of each page to move forward, back, or return to the main category menu

VIDEO CATEGORIES

We've grouped over 100 training videos into 8 easy-to-navigate categories, so you can quickly find the content that matters most. Each section focuses on a different area of application or product expertise.

01
METAL FABRICATION SERIES

Building a Norton sign. From cutting to polishing and everything in between!.

02
NORTON IN ACTION

Discover a product for every application.

03
LIVE DEMONSTRATION SERIES

Real solutions for every metalworking challenge.

04
'HOW TO' VIDEO COLLECTION

Practical tips and advice for metal fabrication applications.

05
NORTON KNOWLEDGE SERIES

Your abrasive questions answered.

06
ROBOTICS SOLUTIONS

Precision automation with Norton.

07
CREATIVE FABRICATION PROJECTS

Using Norton abrasives and a right angle grinder.

08
SAFETY FIRST

The OSA certification and what safety means to us.

PRODUCT TO APPLICATION GUIDE

We've brought our key products and applications together in one place to make finding what you need simple.
Follow the page numbers to jump straight to the videos.

METAL FABRICATION SERIES

BUILDING A NORTON SIGN

FROM CUTTING TO POLISHING &
EVERYTHING IN BETWEEN!

01 METAL FABRICATION SERIES

How to remove scale from metal the easy way!

Products:
Norton Blaze Rapid Strip Disc,
Norton Beartex High Strength Coarse,
Norton RazorStar® Fibre Disc,
Norton Vortex Rapid Prep SCM Flap Disc

Applications

How to clean up welds

Products:
Norton RazorStar® Fibre Disc
Norton Blaze Rapid Strip
Norton Rapid Prep Coarse
Norton Vortex Rapid Blend Disc
Norton Rapid Blend Disc NEX 2SF

Applications

How to cut metal

Products:
Norton Quantum3 Ultra-thin Cutting Disc

Applications

How to polish and linear finish steel

Products:
Norton Rapid Polish + Brown & White Polishing Compounds
Nortoin BearTex Satinex Interleaved Wheel
Norton BearTex Flap Wheel
Norton Aluminium Masking Tape

Applications

How to remove burrs from metal

Products:
Norton Quantum Flap Disc
Norton R929 File Belt
Norton Vortex Rapid Blend Disc
Norton X-Treme Carbide

Applications

The BIG REVEAL!

Products:
Norton RazorStar® FIbre Disc
Norton Vortex Rapid Prep SCM Flap Disc & Blend Disc
Norton Quantum3 Cutting & Flap Disc
Norton X-Treme Carbide Burr
Norton Rapid Prep Disc
Norton Rapid Polish & Brown & White Polishing Compounds
Norton BearTex Satinex Interleaved Wheel

Applications

02

NORTON IN ACTION

DISCOVER A PRODUCT FOR EVERY APPLICATION

02 NORTON IN ACTION

NORTON RAZORSTAR®

See the Norton RazorStar® R990S 36+ grinding belt in action!

Products:
Norton RazorStar® R990S 36+ Grinding Belt

Applications

New! Norton RazorStar® abrasives - For unbeatable grinding performance

Products:
Norton RazorStar®

Applications

Norton RazorStar® grinding belts - See the science behind the grain!

Products:
Norton RazorStar® Belt

Applications

Norton RazorStar® Live recording: Fibre discs and grinding belts

Products:
Norton RazorStar® Disc & Belt

Applications

Norton RazorStar® fibre discs 36+ - Take a closer look at the grain technology in action!

Products:
Norton RazorStar® Fibre Disc

Applications

Quick grinding results with new Norton RazorStar® quick change discs!

Products:
Norton RazorStar® 36+ Speedlok DIsc

Applications

02 NORTON IN ACTION

NORTON RAZORSTAR®

Norton RazorStar® 36+ fibre discs - Grinding put to the test!

Products:
Norton RazorStar® R990S 36+ Fibre Disc

Applications

Get unbeatable grinding performance from Norton RazorStar® 36+ fibre discs

Products:
Norton RazorStar® 36+ Fibre Disc

Applications

02 NORTON IN ACTION

NORTON QUANTUM3

Exploring the Norton Quantum3 Cutting and Grinding range

Products:
Norton Quantum3 Cutting Disc
Norton Quantum3 Grinding Disc

Applications

Norton Quantum3 Combo – The disc that can grind, cut and bevel

Products:
Norton Quantum3 Combo Wheel
Norton Quantum3 Combo Cutting Disc

Applications

Norton Quantum3 Light Comfort Grinding Wheels

Products:
Norton Quantum3 Light Comfort Grinding (LCG) Disc

Applications

Slice through metal with these Ultra-Thin Cutting Discs

Products:
Norton Quantum3 Ultra-thin Cutting Disc

Applications

Why would I choose a Norton Quantum3 ceramic 4.2mm wheel over a standard 7.0mm wheel?

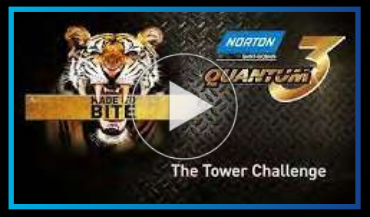

Products:
Norton Quantum3 Ceramic Grinding Wheel

Applications

02 NORTON IN ACTION

NORTON QUANTUM3

Norton Quantum3 Grinding Wheels - The Tower Challenge

Products:
Norton Quantum3 Grinding Wheel

Applications

What are the benefits of the 7.0mm Norton Quantum3 Inox grinding wheel?

02 NORTON IN ACTION

NON-WOVENS

Blending & Finishing large surface areas with BearTex Satinex Wheels

Products:
Norton BearTex Satinex Interleaved Wheel

Applications

Discover the Ultimate Norton Abrasives Handpad for Heavy-Duty Applications!

Products:
Norton BearTex Hand Pad

Applications

Norton Non-Woven Range Overview

Products:
Norton Rapid Blend Disc
Norton Rapid Finish Disc
Norton Rapid Prep Disc

Applications

3-Second Stainless Steel Cleanup

Products:
Norton BearTex Disc

Applications

02 NORTON IN ACTION

NORTON BLAZE RAPID STRIP

Norton Blaze Rapid Strip

Products:
Norton Blaze Rapid Strip Disc

Applications

Blaze Rapid Stripping Disc – Soft metal preparation

Products:
Norton Blaze Rapid Strip Disc

Applications

Blaze Rapid Strip Disc– The Toughest Stripper Around

Products:
Norton Blaze Rapid Strip Disc

Applications

Blaze Rapid Strip – Paint and coatings removal

Products:
Norton Blaze Rapid Strip Disc

Applications

Blaze Rapid Strip Rust Residue & Corrosion

Products:
Norton Blaze Rapid Strip Disc

Applications

02 NORTON IN ACTION

NORTON VORTEX RAPID BLEND

Finishing Stainless Steel in Hard to Reach Areas (Fillet Radius Weld)

Products:
Norton Vortex Rapid Blend Disc
Norton 2SF Wheel

Applications

The Norton Vortex Rapid Blend - Condition metal and remove bluing

Products:
Norton Vortex Rapid Blend Disc

Applications

Blending out metal with Norton Rapid Blend

Products:
Norton Rapid Blend Disc

Applications

Norton Vortex Rapid Blend

Products:
Norton Vortex Rapid Blend Disc

Applications

Can I use Norton Vortex Rapid Blend to remove welds?

LIVE DEMONSTRATION SERIES

REAL SOLUTIONS FOR EVERY METALWORKING CHALLENGE

03 LIVE DEMONSTRATION SERIES

How to get the best from your surface conditioning material

Products:
Norton Rapid Prep Disc
Norton Rapid Prep Flap Disc
Norton Rapid Prep Pump Sleeve Belt
Norton Rapid Prep Belt

Applications

How to achieve a No.4 surface finish on Stainless Steel

Products:
Norton R946 CA Belt
Norton Rapid Prep Belt Coarse & Medium
Norton Rapid Prep Belt Fine, Very Fine

Applications

How to remove welds on both Carbon and Stainless Steel using an angle grinder

Products:
Norton Quantum3 Grinding Disc & Norton Vulcan Grinding Disc
Norton Quantum3 Flap Disc & Norton Xtreme Flap Disc
Norton F970X Blaze X Fibre Disc
Fibre Disc & Norton hard, ribbed back up pad

Applications

How to remove scale from metal with an angle grinder

Products:
Norton Rapid Strip Disc
Norton Blaze Rapid Strip Disc
Norton Twist Knot Cup Brush
Norton X-Treme Flap Disc P40
Norton F970X Blaze X Fibre Disc
Norton Quantum3 Light Comfort Grinding (LCG) Disc

Applications

How to remove rust and paint using a right-angle grinder

Products:
Norton Quantum3 Grinding Disc
Norton Blaze Rapid Strip Disc
Norton Twist Knot Cup Brush
Norton X-Treme Flap Disc P40
Norton F970X Blaze X Fibre Disc
Norton BearTex High Strength Disc

Applications

How to choose the right abrasive for cordless angle grinders

Products:
Norton Cutting Disc
Norton Quantum3 Light Comfort Grinding Disc
Norton BlazeX Fibre Disc
Norton Blaze Rapid Strip
Norton Vortex Rapid Blend disc

Applications

03 LIVE DEMONSTRATION SERIES

GRP panel sanding and polishing with Norton abrasives and Farecla compounds

Products:
Norton A293 P400 & P800
Norton Profile 200 Select Coarse Cut
Norton Profile 700 Finish Light Cut
Polish & Swirl Remover

Applications

How to remove welds for a Mirror Finish in 4 easy steps

Products:
Norton Quantum3 Fibre Disc
Norton Vortex Rapid Blend Disc
Norton Rapid Blend Disc 2SF
Norton Rapid Polish

Applications

Light Comfort Grinding & EasyTrim Discs

Products:
Norton Vulcan Grinding Disc
Norton Quantum3 Light Comfort Grinding (LCG) Disc Norton EasyTrim Flap Disc

Applications

Non-Woven High Strength Material- What is it and why you need it!

Products:
Norton BearTex High Strength Disc
Norton BearTex Spindle Mounted Wheel
Norton BearTex Quick Change Disc
Norton Flexible Hand Pads

Applications

Abrasive Solutions for the Stainless Steel Fabricator

Products:
Norton BearTex High Strength Disc
Norton Quantum3 Fibre Disc
Norton Vortex Rapid Blend Disc
Norton Rapid Blend Disc
Norton BearTex Satinex Interleaved Wheel
Norton R929 File Belt

Applications

How to choose the best carbide burr for the job

Products:
Norton X-Trem Carbide Burr

Applications

03 LIVE DEMONSTRATION SERIES

Choosing the best bench and pedestal grinding wheel

Products:
Norton Starline Bench Wheels:
Silicon carbide,
Aluminium oxide (Brown & White)

Applications

How to choose and use core drills
